

Floridians for Immigration Enforcement Endorsements

2018 Voter Guide

Governor: Ron DeSantis <https://rondesantis.com>

Congressman Ron DeSantis has a proven record in congress on immigration. He has an A Career and A+ Recent Congressional voting report card from [Numbers USA](#).

He has pledged to support enactment of mandatory E-Verify in Florida. His opponent, Adam Putnam, actively worked to kill enactment of E-Verify. In 2011 he came down from his Agricultural Commissioner office to work the Senate floor to kill E-Verify. [Adam Putnam's Numbers USA report card grade](#) on reducing Amnesty Enticements is an F and Reduce Unnecessary Worker Visas is an F-.

State Senate District 25: Gayle Harrell <http://gayleharrell.com>

Representative Harrell has a ten-year proven track record of supporting immigration enforcement. She has sponsored numerous immigration enforcement bills in the state legislature since 2008. Representative Harrell has sponsored bills which would have mandated E-Verify, denied public benefits to illegal immigrants, called for a memorandum of agreement with Immigration and Naturalization Service (INS), and ending Sanctuary cities.

2008	HB 821 Illegal Immigration by Harrell Also, Co-Sponsored HB 73 and HB 159, (Omnibus bills for Public E-Verify, denying public benefits to illegal aliens, and required co-operation of public officials with Federal Immigration Enforcement. HB 107 (Human Smuggling)
2011	HB 691 Verification of Employment Eligibility by Harrell (Mandatory E-Verify)
2012	HB 1315 Verification of Employment Eligibility by Harrell (Mandatory E-Verify)
2014	HB 851 Harrell voted against In-State Tuition for Illegal Aliens
2018	HB 9 Harrell voted for bill that prohibits sanctuary city policies in Florida

Her opponent, Belinda Kaiser was on the Constitutional Revision Commission (CRC) and voted twice to kill the proposed E-Verify Amendment; [Vote 1](#), [Vote 2](#). Kaiser felt it was more important to place banning Vaping in Workplaces on the ballot than E-Verify. Kaiser ignored expert testimony presented to the CRC on the enormous harm done to legal workers, legal businesses, taxpayers, and victims of illegal alien crime. Kaiser's position on illegal immigration is very weak, "*The first act of an immigrant seeking to enter our great country should not be an illegal one by entering without the status to do so. I will end sanctuary cities and believe we need to strengthen our border security to keep our citizens safe.*"

Florida House District 86: Laurel Bennett <http://laurel-bennett.com>

Laurel Bennett has pledged to support mandatory E-Verify, oppose drivers licenses for illegal immigrants, and oppose Sanctuary City policy.

Vern Buchanan	16	Vern Buchanan	B	https://vernbuchanan.com	
Dave Cummings	18	Dave Cummings	N/A	https://davecummings.org/	Rep Brian Mast is the incumbent. His positions on illegal immigration have been weak, most notably his vote for the unacceptable Goodlatte-Ryan-Denham Amnesty bill, H.R. 6136, that would granted amnesty to at least 1.8 million illegal aliens. Further Rep Mast had a F- in Reduce Amnesty Enticements and F- in Reduce Unnecessary Worker Visas. After considerable contemplation FLIMEN determined that Dave Cummings would be much stronger against illegal immigration.
Francis Rooney	19	Francis Rooney	B	http://francisrooney.com/issues	
Carlos Reyes	23	Carlos Reyes	N/A	https://www.carlosreyesforcongress.com	Rep Debbie Wasserman-Schultz (D), is the incumbent. Her NumbersUSA grade has consistently been an abysmal O%. Carlos Reyes is a Fort Lauderdale Attorney. The district's demographics show a significant growth of the Hispanic Community which could bolster the probability of success. We need to support Carlos Reyes to rid CD 23 of the blight and corruption that will be left when Debbie Wasserman-Schultz is defeated in November.
Dr. Maria Peiro	27	Dr. Maria Peiro	N/A	https://www.peiroforcongress.com	Dr. Maria Peiro has proven track record on immigration. She has been recognized by Numbers USA as a 'True Reformer' which is the highest rating possible for a new candidate. She has worked locally and nationally as a grass roots activist to oppose amnesty, sanctuary cities, and support mandatory E-Verify. She actively worked on the Trump campaign and has pledged to support President Trump's America First Agenda.
