

## Floridians for Immigration Enforcement

January 9, 2019

Senator Tom Lee  
915 Oakfield Drive  
Suite D  
Brandon, FL 33511

Dear Senator Lee:

According to the dyslexic liberal lexicon, YOU SENATOR ARE A NEO-NAZI!!!

Of course you are not a neo-Nazi but take a look below at how liberals convolute [your vote Yea vote last Session on Anti-Sanctuary bill SB168](#) into you being a neo-Nazi! An affirmative vote on [839518 - Proposed Committee Substitute \(SJR222\)](#) would support that ridiculous allegation.

Regarding [839518 - Proposed Committee Substitute \(SJR222\)](#) FLIMEN suggests;

1. A total revision focusing on The American Principle of Racial Equality, per below.
2. Striking of the ambiguous, dangerous, liberal, weaponized terms “white nationalism “and “white supremacy”; or better yet.
3. A quick death to the entire naïve resolution.

The fake media and Democrats will pounce on FLIMEN’s objection to this amendment as proof certain that FLIMEN supporters are indeed neo-Nazis. Please accept that FLIMEN opposes violence and racial discrimination. It’s just a matter of finding the right words. The right words are in the American tradition of Racial Equality. The liberal terms used in the amendment will only lead to more name-calling, like Democrat’s use of the word “Racist” to control the narrative.

**The major problem with the term ‘White Nationalist’ is that it is the Democrats’ way of redefining terminology to smear Republicans or anyone who opposes their views, in this case those who support immigration enforcement.** FLIMEN has been the target of liberal Democrat smear campaigns for a long time, so we are a bit of an expert in this area.

SPLC (Southern Poverty Law Center) is the main driver of much of the ongoing “Hate” and “Racist” rhetoric. SPLC is an antagonistic opponent to most every value for which

Republicans stand, especially immigration enforcement. As an example, the SPLC instigated the boycott of Mark Krikorian of Center for Immigration Studies during a committee meeting last year. You should be familiar with their tactics. SPLC, in fact, was [one of the parties involved in the federal lawsuit against the Anti-Sanctuary bill SB 168](#). Judge Bloom upheld all but a minor aspect of the bill.

SPLC calls any organization that supports immigration enforcement a “Hate Group, Racist, White Supremist, or Neo Nazi.” Their definition of “White Nationalist” is wrong and ridiculously broad per their web page. I am attaching two examples for your consideration and review.

If passed as written, the Proposed Revision will be used as an opening of opportunities to support opposition against Republican principles by Democrats in the next critical 2020 election and thereafter.

Remember, Democrats have already changed the national narrative by using the term 'undocumented immigrant' in place of the actual legal term of “illegal alien!” Democrats are now falsely claiming that anyone using the term “illegal alien” should be accused of hate speech. With the current language in the proposed revision, Democrats will achieve equating people who support the rule of law and immigration enforcement in any form to be 'White Nationalists or White Supremacists'.

**We simply must not continue to allow the Democrats to define and control the narrative and the rhetoric!**

Please consider that you and the other Republican Senators can easily revise the resolution to promote a more universally acceptable agenda,

[The American Principle of Racial Equality](#).

FLIMEN has attached a draft of what could be a revised Racial Equality SR 222. Please note that the attached draft resolution is presented to you primarily as a concept. Wording can be improved as needed.

This ‘deliberalized’ American centric draft resolution represents what Republicans believe in. Democrats have a globalist view of open borders, Sanctuary Cities, non-citizen voting, and on and on.

Adopting the American principle of Racial Equality provide an opportunity to redirect the narrative and take back the debate utilizing *American principles*.

It is important that the Florida Senate support President Trump in the concept of America First by NOT using the Democrat’s distorted view of a White Nationalist as a neo-Nazi and White Supremacist.

**Please revise the resolution to focus on Racial Equality or better yet, vote NAY on the existing draft resolution that will almost certainly cause more controversy without any societal benefit.**

Please note there are three important attachments below; 1) [SPLC Defines White Nationalist](#) 2) [Palm Beach Post Defines Anti-Sanctuary Bill](#), and 3) [The American Principle of Racial Equality](#).

Thank you for your consideration.

## SPLC Defines White Nationalist

The screenshot shows the SPLC Southern Poverty Law Center website. The header includes the SPLC logo, social media icons, and navigation links: RESOURCES, WHAT WE DO, OUR ISSUES, HATEWATCH, HATE MAP, and a search icon. A red button labeled 'WAYS TO GIVE' and 'DONATE' is also present. The main heading 'WHITE NATIONALIST' is circled in orange. Below it, a paragraph defining white nationalist groups is also circled in orange.

# WHITE NATIONALIST

White nationalist groups espouse white supremacist or white separatist ideologies, often focusing on the alleged inferiority of nonwhites. Groups listed in a variety of other categories - Ku Klux Klan, neo-Confederate, neo-Nazi, racist skinhead, and Christian Identity - could also be fairly described as white nationalist.

### **Their definition obviously equates “White Nationalist” to “neo-Nazi”!**

So, what is a "White Nationalist?" To many it means a Caucasian who supports the concept of America First. It should be noted that America's Founding Fathers were White, and they were decidedly Nationalists. Much of the deep difference between Democrats and Republicans is a different view of globalism vs. nationalism. President Trump has often expressed the concept of taking care of USA first, along with a skepticism on the 'New World Order' which is typically embraced by the Democrats.

“White Supremacy” means racial superiority which we despise.

Neo-Nazi has yet a different meaning, as an advocate of fascism, which we despise.

## Palm Beach Post Defines Anti-Sanctuary Bill

The common use liberal definition of “White Nationalism” is conveniently shown in an OP-ED by the Palm Beach (Com)Post.

Opinion

### Editorial: Florida lawmakers must soundly denounce white nationalism, shut down ‘sanctuary cities’ bill

There you have it very clearly; Democrats consider Republicans who support immigration law enforcement “white nationalism.”

Using simple logic with these examples;

Republicans supporting immigration enforcement=

White Nationalists =

White Supremacists =

Neo-Nazis

## **The American Principle of Racial Equality.**

**A Resolution Promoting Racial Equality as the American Way** to provide equal opportunity to all regardless of race, ethnicity or culture and denouncing racial supremacy and all acts of domestic terror, including acts of mass violence.

**WHEREAS**, Martin Luther King Jr.'s legacy expressed in his famous *I Have A Dream* speech that his four children would live in a nation where they will not be judged by the color of their skin but by the content of their character, and,

**WHEREAS**, no race has a monopoly on love or hate of neighbor, and,

**WHEREAS**, it is un-American and unconstitutional to render judgment or profiling people of one race, ignoring their honorable behavior, accomplishments, contributions, and good citizenship, and attributing to them because of the color of their skin, instead, the sins of others, and

**WHEREAS**, crimes in the United States are committed by persons of every racial group without exception, and,

**WHEREAS**, Lady Justice is blindfolded and criminal acts in our country are subject to punishment regardless of race, ethnicity or religion, and

**WHEREAS**, singling out any group of people for preferential treatment or privilege and likewise for arbitrary negative criticism or penalty because of the color of their skin is unconstitutional, illogical, and un-American, and

**WHEREAS**, acts of mass violence based on race continue to a problem in Florida and elsewhere, and

**WHEREAS**, the job of the Legislators and Senators in the State of Florida is to see that US citizens, naturalized citizens, Legal Permanent Residents, visitors and illegal aliens are protected from becoming victims of racism or discrimination of any type, now,

**THEREFORE**, be it Resolved by the Senate of the State of Florida: That continued and renewed emphasis on racial equality is needed, that violence against any person or group of persons because of race or color of their skin will be strongly rejected and condemned as hateful expressions of intolerance that are contradictory to the values that define the people of Florida and the United States.
